Ghana Target Date Dec 2016-Jan 2017

God has confirmed that He wants us to serve at Calvary Chapel Bible Training Centre in Ghana West Africa!! Our target date for departure is December 28, 2016. Class begins the first week of January 2017. We are praying that we will be able to depart Florida in November to spend Thanksgiving & Christmas in Ohio with our families first.

CCB TRAINING CENTRE

Once there, Jim will be working with Donne' Paganini, Pastor & Director of the training center; equipping students

enrolled at CCBTC, conducting ongoing pastoral care with students & visiting with Alumni. Much of the work at first will be building relationships & working with students in the classroom.

Students are multi-denominational; men & women who are learning how to read & teach the Bible expositively. Many of the men are pastors serving in churches throughout West Africa. The goal is to train men & women how to correctly study & apply God's Word to their lives so they can assist in planting indigenous, viable, culturally oriented churches. In doing this they will be fulfilling the great commission to GO make disciples, teaching them to obey God (Matt. 24:16-20.) The course covers the OT & NTs in two, 31/2 month semesters, & awards students certificates of completion.

Travel Required!

While in Ghana, we anticipate traveling to countries such as: Benin,

Togo, Nigeria, Burkina Faso, Ivory Coast & possibly as far as Liberia; encouraging Alumni, being encouraged, praying with & deepening relationships with them & their families as well. We are trusting God for a vehicle to be provided for us to use for this exciting work. We will also participate in the life of the training center through morning devotions & worship. Pray for smooth entry into extended countries while we travel.

Other Areas of Ministry

There are several ministries we may be involved in: Bible study life groups, and the local elementary/middle school. CCBTC leads both ministries & due to the Bible study groups, several families have put their faith in Jesus. These are ripe opportunities for relationships & disciple-making. Bernie is very

much looking forward to working along-side the women assisting wherever needed.

We Will Be Living

Next to the training centre in a small 2 bedroom duplex. Our neighbors will be local people & we look forward to meeting & building relationships with them. Though classes are taught in English at the train-

ing center, the local dialect spoken is not English—pray we can learn this language!
